Mr. Akhyar Ahmed, born 04.11.1993 in Sylhet, Bangladesh, was employed in my team from 15.10.2020 to 30.9.2022 as an assistant scientist in the field of Speech and Language Technologies.

The German Research Center for Artificial Intelligence GmbH (DFKI) with locations in Kaiserslautern, Saarbrücken, and Bremen (with a branch office in Osnabrück) and a project office in Berlin is the leading research institution in Germany in the field of innovative software technologies. In the international scientific community, DFKI is one of the most important "Centers of Excellence" and is currently the world's largest research center in the field of artificial intelligence and its applications in terms of number of employees and third-party funding.

His area of responsibility included:

- Python programming, predominantly in the areas of machine Learning and Natural Language Processing
- Projects in the field of
    - Dialog systems/chatbots
    - Named Entity Detection / Classification / Linking
    - Data visualization
    - Transformer with Huggingface and PyTorch
    - Data cleaning
- Statistical data analysis
- Collaboration on scientific publications
- Literature research
- Annotation of data

He has extremely comprehensive and outstanding specialist knowledge, which he has always used very confidently and successfully to accomplish his tasks. Mr. Ahmed familiarized himself with the tasks assigned to him within a very short time. He pursued the agreed objectives sustainably and with the greatest success. He was extremely reliable and his working style was always characterized by careful planning and a systematic approach. He was always able to cope with the highest time pressure and workload. He always impressed with qualitatively and quantitatively outstanding results. Mr. Ahmed always completed the tasks assigned to him to our complete satisfaction. His behavior towards superiors, colleagues, and external parties was always excellent.

Mr. Ahmed is leaving our company at his request.

We want to thank Mr. Ahmed for his consistently excellent cooperation and are very sorry to lose him as an employee. We wish him all the best and continued success in his future career and life.
